FASTEST RECALL COMPETITION – SUNDAY

**Sunday, November 5, during the noon lunch break
in the Obedience Warm-up ring area.**

The event is sponsored by Chuckanut Dog Training Association, Inc.

The competition will consist of a single recall by each contestant.

The contestant's dog will be left on a stay in any position at a pylon at one end of the ring. The contestant will leave their dog and stand behind another pylon located at the opposite end of the ring. Upon order to call from the in-ring official the contestant will call their dog. The timing on the exercise will start when the command to call is given by the in-ring official and will end when the competing dog has crossed the line of the pylon located in front of the handler. The recall does not have to be a formal obedience recall, and handlers may use any number of commands and verbal encouragement to get their dog to come to them.

Of course this would be too easy if the ring were without any distractions.

The ring will have a number of stuffed and other dog toys scattered about the floor inside of the ring. Entries will be taken at the time of the competition at ring side.

The entry fee will be \$1.00 per run collected at ring side). Contestants may run more than once as time permits. (For additional runs, contestants will have to get back into the line of waiting competitors after each run.)

The competition will run for 45 minutes or less if all contestants have finished competing.

After 10% is deducted by the club, the first three fastest contestant times will split a share of the total Fastest Dog Recall Competition entry fees from this event only.

The split will be: First place = 50% Second Place = 25% Third Place = 15% (Prize payments will be rounded up to the next full dollar amount.)

Ties in time for placement will be settled by a run off recall between the dogs tied by time.

See how fast your dog is under distraction!
